

Nutrition

Forever Kids®

Give your kids the nutrients they need each day with Forever Kids Chewable Multivitamins. These fun and delicious multivitamins provide both adults and growing kids ages two and older with the vital vitamins, minerals and phytonutrients they may be lacking.

Phytonutrients are beneficial plant nutrients found in vegetables and fruits. New processing techniques allow us to emulsify, dehydrate and flash-dry raw fruits and vegetables - to protect the valuable phytonutrients, vitamins, minerals and enzymes our bodies need. The result is a multivitamin that tastes great, is fun to eat and complements the range of other supplements that Forever Living offers!

Formulated without sugar, aspartame, artificial colors or preservatives, the phytonutrient base is taken from such nutritious foods as carrots, acerola, broccoli, spinach, cabbage, apples, cranberries, tomatoes and citrus fruit. You and your kids will love the natural orange and grape flavors, and you'll love the peace of mind!

OTHER INGREDIENTS:

Sorbitol, Xylitol, Polyethylene Glycol, Stearic Acid, Natural Blue Color, Silicon Dioxide, Natural Orange and Grape Flavors, Natural Orange Color, Magnesium Stearate, Citric Acid, Ethyl Cellulose, and Guar Gum.

CONTENTS

120 tablets

SUGGESTED USE

For children over four and adults, take four tablets daily as a dietary supplement. For children two to four years old, give two tablets per day under adult supervision.

- Fun colors and shapes that your kids will love!
- No artificial colors or preservatives
- Chewable tablets
- Phytonutrient base taken from the finest raw foods including broccoli, spinach, carrots and cabbage
