

Aloe Liquid Soap

Aloe Liquid Soap is a rich, pearlescent, moisturizing hand and face cleanser, with a generous amount of aloe. It creates a luxurious lather, leaving the skin feeling clean, smooth and silky, while minimizing the irritations experienced with some bar soaps. Its 'no tears' formula also makes Aloe Liquid Soap an ideal shampoo for children and adults alike.

Biodegradable, pH-balanced and non-irritating, it is mild enough for daily facial, hand, or body cleansing, and is suitable for those with sensitive skin. Available with a handy, easy-to-use pump dispenser, this delightfully scented product is perfect for the entire family!

INGREDIENTS

Aloe Barbadensis Gel (Stabilized Aloe Vera Gel), Water, Disodium Cocoamphodiacetate, Sodium Lauryl Sulfate, Sodium Laureth Sulfate, Propylene Glycol, PEG-80 Sorbitan Laurate, Sodium Trideceth Sulfate, PEG-150 Distearate,
